Civil Action # 5:14-cv-02759-SL

May 15, 2015 a family member handed me a folder containing a summons on this Civil Action No. 5:14-cv-02759-SL. I respectfully request a 30 day extension to better understand what this claim is and to search for an attorney.

I am currently on Medicaid and receiving food assistance. I have not had stable employment since 2012. In 2014 and 2015 I had no income. Do I qualify for any legal assistance? Please advise.

Best Regards,
Michael Bowser
